SERVES 6

INGREDIENTS

- 24 extra large pitted Agen prunes
- 24 walnut kernels
- 24 slices of bacon
- 24 small wooden skewers

PREPARATION

Put a walnut kernel inside the prune and wrap in a thin slice of bacon.

Hold together with a wooden skewer.

Place in a hot oven for 5 minutes before serving.

Agen prunes come from plum trees, in particular the Ente plum variety, and are grown in a defined area around the town of Agen.
